An irresistible look and sophisticated feel. Our new Metal Matt Black finish is ideal for contemporary interiors in any domestic or commercial environment.

Premium Screwless Wiring Accessories

The smooth, clean lines of Click® Definity™ provide the ultimate finishing touch to a feature packed range of decorative wiring accessories. Each Click® Definity™ wiring accessories comprises an insert and a decorative cover plate. Simply select the required insert and choice of cover plate.

Available Insert Colours:

*All Definity™ plates are available with Black or Polar White inserts. Brushed Stainless and Stainless Steel are also available with Grey inserts.

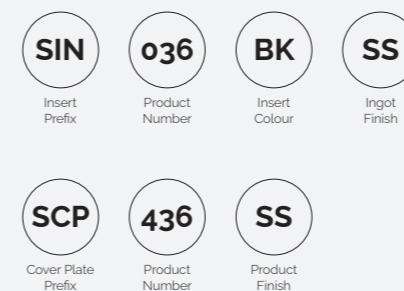

*Definity™ gives the flexibility to mix and match insert colours to cover plate finishes, giving infinite combinations. With a wide selection of standard and 'ingot' metallic inserts, simply select your design and colour of insert.

Modular Switch Plates

All Click® Definity™ switch plates are modular as standard, allowing you to create virtually any switch plate you require. The MiniGrid® modules are all easily and quickly exchanged or mounted onto unfurnished plates by means of a simple single screw fixing.
