Deco Plus & Deco Matt
Black Wiring Accessories

Introducing Matt Black

Now available in the Deco Plus
and Deco Ranges...

Matt Black finishes are now available in both of our Deco Plus and Deco wiring accessory ranges, adding the perfect contemporary look to any space.

Matt Black has been added to the range in response to feedback from installers working on domestic and specification projects who are looking for an alternative premium finish for interiors.

Premium Decorative Wiring Accessories

A prestigious collection of premium finishes that stand out in every home. Included in the range, the matt black plates suit contemporary sleek, ultra-modern decorative styles. Our Deco Plus range ensures your design is distinguished throughout.

Available Insert Colours:

Example Code Structure:

*All Deco Plus plates are available with Black or White inserts. Satin Chrome and Stainless Steel are also available with Grey inserts. Matt Black, Black Nickel and Antique Brass are only available with black inserts.

Modular Switch Plates

All Deco Plus & Deco switch plates are modular as standard, allowing you to create virtually any switch plate you require. The MiniGrid® modules are all easily and quickly exchanged or mounted onto unfurnished plates by means of a simple single screw fixing.

Decorative Metal Wiring Accessories

A comprehensive range of decorative metal wiring accessories available under the single Deco® brand. A brand that is synonymous with high specification, high quality, long life and unprecedented value for money.
