

DEFINITY COMPLETE

Antique Brass

Definity™ Complete Antique Brass

INTRODUCING ANTIQUÉ BRASS

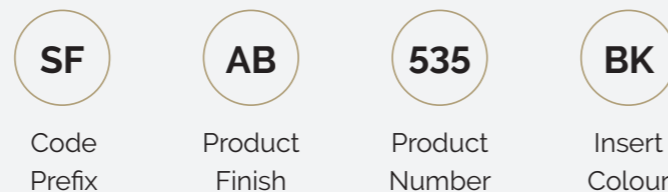

The new antique brass finish for Definity™ Complete exudes a warm and luxurious feel, adding a touch of sophistication to any domestic or commercial interior.

ALL YOU NEED TO KNOW

Definity™ Complete has evolved from our well established Define® flat plate accessory range and features all the same attributes including modular switching but without the visible fixing screws.

**EXAMPLE CODE
STRUCTURE**

**ADAPTIVE
PLATE FINISH**

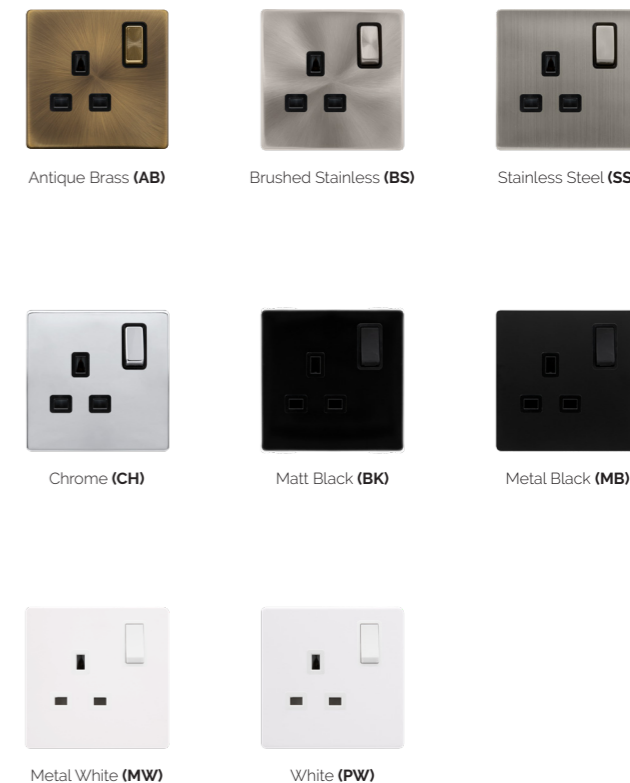

Our Antique Brass Definity™ Complete plates are unique in their finish. The glossy grain adapts in different lighting and also absorbs its surrounding colours to create a really distinctive appearance.

**ENDLESS
COMBINATIONS**

The flexibility of our Definity™ Complete range is further enhanced with the range of cover plates and electrical inserts being available independently of each other.

**EXPLORE ALL OF
DEFINITY COMPLETE**

The smooth, clean lines of Definity™ Complete products provide the ultimate finishing touch to a feature-packed range of decorative domestic electrical wiring accessories. Available in 8 finishes, supplied under one code.

***AVAILABLE INSERT COLOURS**

*Definity Complete plates are available with Black or White inserts. Brushed Stainless and Stainless Steel are also available with Grey inserts. Matt Black, Black Nickel and Antique Brass are only available with black inserts.

**MODULAR
SWITCH PLATES**

All Definity™ Complete switch plates are modular as standard, allowing you to create virtually any switch plate you require. The MiniGrid® modules are all easily and quickly exchanged or mounted onto unfurnished plates by means of a simple single screw fixing.
