

NEW!

KEY LOCKABLE SWITCHES & SOCKETS

KEY OPERATED SOCKET OUTLET AND SWITCH

MULTIPLE STYLES & FINISHES

Seamlessly match existing Wiring Accessories, available across the Click® Ranges...

CLEAR INDICATION

Lockable on & lockable off feature is clearly indicated by the lock position and also on the Socket Outlets by the neon indicator.

ENERGY EFFICIENT

Only allow authorised personnel access.

SAFE & SECURE

Stop unauthorised or unsupervised use.

KEEP APPLIANCES

Our sockets utilise a British Standard Plug.

Set of keys supplied with each fitting.
